Donna Little REGULATIONS COMPILER

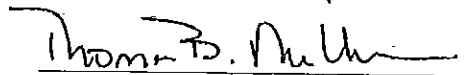

STATEMENT OF EMERGENCY
103 KAR 15:180E

This emergency administrative regulation is being promulgated in order to provide qualified community development entities the forms and procedures necessary when applying for and administering the New Markets Development Program tax credits. KRS 141.432 to KRS 141.434 were amended by HB 445 of the 2014 Regular Session, effective for taxable years beginning on or after January 1, 2014, and the tax credit that may be awarded each year was increased from \$5 million to \$10 million, effective July 15, 2014. An ordinary administrative regulation is not sufficient, because qualified community development entities will be applying for the \$5 million increase in New Markets Development Program tax credits on July 15, 2014. This emergency administrative regulation shall be replaced by an ordinary administrative regulation which is being filed with the Regulations Compiler along with this emergency administrative regulation. The ordinary administrative regulation is identical to this emergency administrative regulation.
